

# CURRICULUM VITAE

## Personalia

My name is **Alex Maat**. I was born on **February 16<sup>th</sup>, 1986** in the Haarlemmermeer, near Amsterdam in The Netherlands. I live in **Hoofddorp**. My mobile phone number is **+31 64 171 2510**, my email address is [alexmaat@gmail.com](mailto:alexmaat@gmail.com). My portfolio is located at [www.alexmaat.nl](http://www.alexmaat.nl).

In the field of IT, interactive media is my passion, digital culture has my interest and new media is my expertise. New technologies regarding front end web development and mobile devices are fields I would like to gain more experience and insights in.

I am a pervasive go-getter, I don't quit. I like helping people out and motivate colleagues. I have a great sense of humor and collegiality. Double checking, motivating and delegating are my strong points. I am innovative, creative and impulsive. I don't take things for granted and I don't take handouts. I like to go for it, to really get into the job and I know how to persuade people. I am stress proof and a real team player.

## Skillset & technologies

- HTML5.
- CSS3; SASS.
- JavaScript; jQuery, AngularJS, ES6.
- PHP; Laravel.
- MySQL.
- Bootstrap, Foundation.
- SVN, Git.
